ORDER NO.

SUBJECT:

DOCKET NO. 2020-125-E - Application of Dominion Energy South Carolina, Incorporated for Adjustment of Rates and Charges (See Commission Order No. 2020-313) - Staff Presents for Commission Consideration the Office of Regulatory Staff's Motion for Partial Summary Judgment Regarding Proposed Amendments to Section V of DESC's General Terms and Conditions, with Motion Exhibit 1.

COMMISSION ACTION:

I move that the Commission accept DESC's offer to file a modified version of its changes so as to clearly state that it is not intending to insulate itself from liability. The new version should also clarify the Utility's intent as to indemnification, and address ORS's questions about Paragraph B of its modifications, which DESC has not addressed. This modified version should be filed with the Commission and served on the parties by December 16, 2020. DESC may also file additional testimony on this issue, if so desired. Such testimony and/or exhibits must be filed with the Commission and served on the parties by December 16, 2020. The other parties to this proceeding may file responsive testimony and exhibits with the Commission with service on the parties by December 23, 2020. Dominion and the parties would then have the opportunity to address the matter at the rate case hearing. The Commission and all parties would also have the opportunity to address questions to DESC about the matter, and the Commission could rule on the issue in the final Order. So move.
